

HOUSE, DOUBLE GARAGE and OFFICE

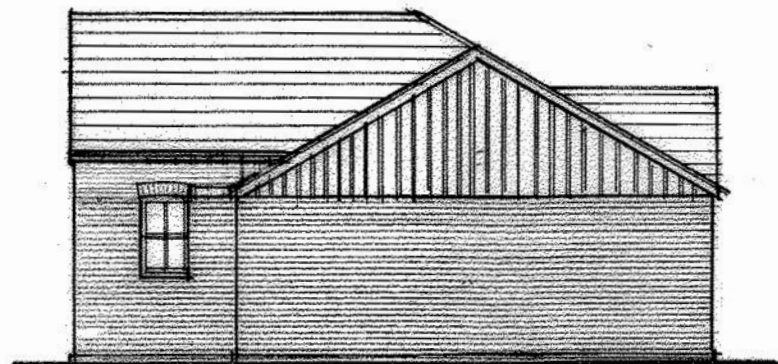

- Roof:** Natural slates with proprietary PV Solar Slates to south facing roof and matching ridges.
 - Walls:** Timber frame construction with 1st stock facing brickwork ref: Cheshire Weathered generally and feature panels of vertical cedar boarding above to gable ends.
 - Windows:** Hardwood framed triple glazed units with fenestration and cant brick cills as shown to match adjacent properties.
 - Doors:** Hardwood framed triple glazed units with vision panels as shown to match adjacent properties and similar stable type door to rear. Folding/sliding feature triple glazed door panels on south elevation to match above.
 - Fascias:** Timber section finished to match windows/doors fixed to rafter ends.
 - RW Goods:** Extruded aluminium rainwater guttering and downpipes, finished black.
- All finishes as above with timber garage doors, personnel door, folding/sliding door to office and windows.

GENERAL FINISHES

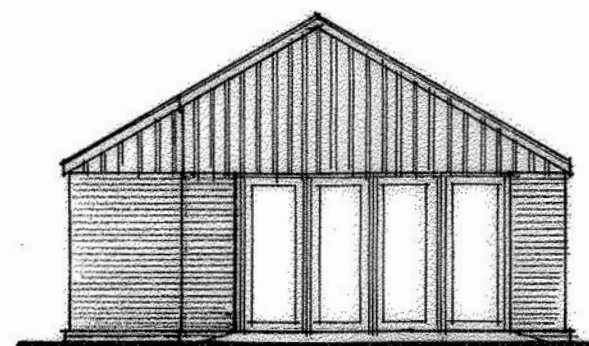

- Drive:** New driveway access to be 6600mm wide to allow 2 off road parking spaces as required under Lifetime Homes schedule and laid to standards for non-adopted roadways in permeable materials. Kerb sets to both edges set in concrete haunches with driveway to garage to same specification.
- Landscaping:** For landscaping proposals read DRG No. 09-02 (-)12 and Churton Ecology report and recommendations for full landscaping details.
